Tri-County Carriage Association has organized a one day clinic for adults wanting to begin carriage driving. We've had many requests from beginner groups requesting help in getting started and this is an excellent opportunity to participate in a full day of coaching & instruction on safety & harnessing. TCCA will provide a horse/pony with harness and carriage or you may choose to bring your own equine partner. The facility offers a large indoor arena, ample parking and is conveniently located in Ancaster.

Please note

- Clinic is open to members and non-members (membership is included in the non-member fee).
- Food and beverage will be available to purchase from an on-site food truck.
- Stabling, feed and water for your own equine will be your responsibility – please come prepared.
- Space is limited and pre-registration is appreciated.

Volunteers are greatly appreciated. Let me know if you're available to lend a hand.

Looking forward to seeing you in April Agneta Knight, Adult Clinic Committee
