What am I required to do when I volunteer to help run the MHCO Booth?

- wear casual or dressy casual clothing (Keep practicality in mind, as you may be on your feet for long periods of time, please also dress for the weather conditions – if applicable.)
- be friendly and helpful and knowledgeable about MHCO and its' guidelines
- you have volunteered to promote the Club. Refrain from promoting any individual person or farm over another, as well as promoting one registry over another
- hand out literature to the more interested parties, (ie MHCO's business card, brochure, other handout material, membership forms, etc.)
- show off our photo album(s), video, breeders' list (farm listing) and answer any questions that come forward
- ask interested parties where they live and suggest attending MHCO activities that are close to them (shows/events/visit breeders, etc.)
- remember the main focus is on the MHCO, not a particular registry. However; members should be somewhat knowledgeable of all recognized Miniature Horse registries
- be flexible to your co-volunteers, so that everyone can have a break at reasonable times
- most importantly, relax, have fun enjoy the company of our other Members

****Please note that during jumping demonstrations,
jumps are not to exceed 24 inches high, regardless of the horse's height**
